YOUR DAILY DOSE

SCENE

Happy Friday, loves. • ICYMI, Calvin Klein is hosting a party tonight—in Brooklyn, for a change. The affair is happening along with *Dazed* to toast its “Dazed 100” feature, which celebrates the visionaries expected to shape fashion, art, music, and beyond in 2016. Expect performances by ARCA and KELELA...and Uber surge pricing on your return trip to Manhattan.

THE SOFT SPOT!

WITH DOUTZEN KROES, WHO APPEARS IN THE NEW CAMPAIGN FOR REPEAT CASHMERE HOW DID YOU HEAR ABOUT REPEAT? Years ago, we were shooting an editorial and the stylist, Jetteke van Lexmond, had Repeat scarves at the shoot. I immediately asked if I could keep one, as I loved the way it felt on my skin. After a while, the Repeat family asked me to work with them. WHAT DO YOU LIKE ABOUT THE BRAND? I love that it's a big family and they work from their passion to create amazing quality and luxury for women. DO YOU WEAR CASHMERE 24/7? Not when I'm on holiday in Ibiza, but eight months a year, for sure! WHAT'S YOUR LOOK? It's a mix of boyish meets feminine—timeless pieces combined with a great bag or a pop of color.

DAILY THROWDOWN: THE CUT EDITION

There's a new Cut in town—no, not New York's beloved fashion vertical. This Cut is Equinox's new cardio-centric boxing class, founded by workout guru Christa DiPaolo. How does she stack up to The Cut's founding editor, Amina Akhtar?

CHRISTA

Hometown:

Las Vegas. I know—an actual native!

Go-to snack:

GoMacro, Macrobar in Sweet Rejuvenation
Cashew Butter

Signature workout move:

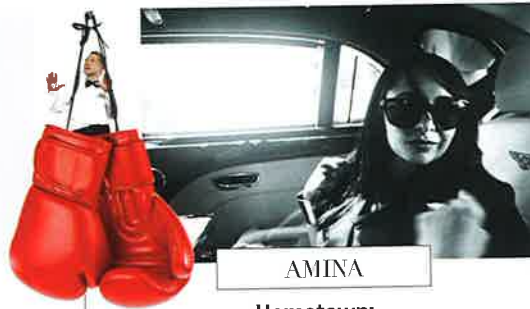

I'm obsessed with push-ups, any and all variations.

Signature look:

When I'm not in workout clothes and sneakers, I like a casual look of jeans, wedges, and a tank top.

Guiltiest pleasure:

A night at home with my fiancé, great movie, pizza, and bottle of red wine.

AMINA

Hometown:

El Paso, TX, but I was born in Reno, Nevada. We moved. A lot.

Go-to snack:

Page 2 percent cherry yogurt

Signature workout move:

Yoga. I'm all about downward dog to plank.

Signature look:

All black always, but for workouts, I throw in some pink. Go figure.

Essential reads:

The Daily (obviously), Refinery29, Reddit, Twitter. I love digital, what can I say?

Guiltiest pleasure: Binge-watching Netflix when I should be writing.

Pizza and salads for the entire office. You're welcome!

A shot of wheat-grass.

Nothing...I'm saving up for some Gucci loafers.

Dog food, which was why I was late to work.

Snow boots, belatedly.
